

FISCAL NOTE

SB 2153 - HB 2346

January 30, 2004

SUMMARY OF BILL: Provides if a juvenile court judge who issues a missing child order believes that the records of a telecommunication services provider are necessary or would be of assistance in locating a missing child, the court may request the pertinent telephone records. The telecommunication services provider must, without delay and at no charge, provide the record to the juvenile court judge.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumes the provision is permissive and requires minimal resources of the juvenile court.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
